

Take the **FOOD DRIVE** Challenge!

Food drives, big and small, are a great way to come together and fight against hunger!
It's fun and simple just by taking these 4 steps!

1. ORGANIZE

Choose the location and duration of your food drive. Neighborhoods, schools, offices, civic groups, and houses of worship are just a few of the many organizations who are happy to help sponsor the fight against hunger!

2. ADVERTISE

Prepare a simple flyer to get the word out! Don't forget the Who, What, When and Where! Flyers should also include how long the drive is running and the most needed items listed below.

Canned Meat

Canned Vegetables and Fruit

Pasta/ Pasta Mixes

Peanut Butter and Jelly

Beans and Rice

Cereals

Baby Food

Paper Goods

Personal Hygiene Items

Diapers

Advertise, Advertise, Advertise—it's the key to a successful food drive! Remember to go social and let everyone know including your mom, your grandma and your dog!

3. COLLECT

Use appropriate containers like plastic bins to collect all donated items. Label containers with eye-catching signs and place them in highly visible areas.

4. DELIVER

Collect all donated food and deliver to Angelic Resale. **Remember to thank all your participants!**
